

KPMG Graduate Recruitment Program 2022

Description / Requirements

KPMG is more than a professional services Firm, collectively employing more than 236,000 people all over the world. It is a family of creative problem solvers who are making a difference! We see a world of opportunities – one where enterprises and individuals have the insights they need to shift and succeed. We **Inspire Confidence and Empower Change**. Our Teams sparking outcomes that align with our values, **Integrity, Excellence, Courage, Together, For Better**.

Due to continuous growth of business, we are in search of talented graduates, with a diverse range of academic backgrounds, to develop their career in one of the following areas:

Audit services

If you have analytical skills, work well with other people and you are eager to learn while working, then Audit is the right choice! Capital markets, regulators and society rely on the good work Auditors need to do to ensure the integrity and transparency of the capital markets. Gain a real sense of purpose and assist some of the largest organizations in Greece. Apply and open your horizons and prospects, get introduced to a new world of opportunities. Start as an Audit Assistant and obtain the requirements for becoming a Certified Public Accountant, a profession that is valued all over the world.

If you are passionate about Accountancy, Finance and Business, then Audit is the right choice for you.

Tax, Legal & Accounting services

Tax is increasingly under the international spotlight, generating unprecedented levels of interest among investors and the media. Join our Tax team and engage in high demanding and sophisticated projects. Right after graduation, discover the future of taxation in an increasingly globalized and digitalized world. Pursue a career in Tax, Legal and Accounting services.

If you are passionate about compliance to global standards and getting to know best practices in International Tax, Legal Advisory, Accounting, Payroll and IFRS, then Tax is the right choice for you.

Advisory services

Our Advisory professionals come from a wide range of disciplines, equipped with skills and experience to assist our clients in dealing effectively with business growth, technology, governance, and performance issues. Apply across a wide breadth of areas:

- **Consulting:** Technology Solutions (Customer Experience, Digital Transformation, Business Intelligence and Data Analytics, ERP Systems, Enterprise Performance Management), Strategy and Operations, People Services and Risk Consulting

KPMG Graduate Recruitment Program 2022

(Information Risk Management and Cyber Security, Financial Risk, Internal Audit, Risk Compliance, Governance and ESG Services).

- **Deal Advisory:** Corporate Finance, Transaction Services, Mergers & Acquisitions, Valuations, Restructuring and Forensic Services.

If you are passionate about Advisory, join our trusted Advisors and build your technical know-how, critical industry insight and growth mindset.

Visit our [Services - KPMG Greece](#) for more information about the whole array of our services.

Candidate Profile

The ideal candidates are creative spirits and natural team players with quality focus. The appointed candidates will be actively involved in challenging projects, delivering impact while inspiring trust in their dealings with colleagues and clients.

- A Bachelor in various fields, such as Economics, Accounting, Finance, Business, Engineering, Technology, Mathematics or relative subjects.
- A Master of numerical or analytical orientation (for example Business, Mathematics, Statistics, Data Science, Engineering) would be considered an asset.
- No more than three years of professional working experience. Internships within leading multinational firms would be highly appreciated.
- Certificate of Proficiency or proven knowledge of the English language is a must.
- Competent user of MS Office.
