

Title: Πρόγραμμα Πρακτικής Άσκησης Vodafone

Are you interested in working at a fast-paced technology multinational company? Are you a university student or a recent graduate? Are you exploring real-life employment opportunities? Do you want to gain international know-how in different areas and thrive? Kick-start your career with an exciting Internship at Vodafone. You can gain hands-on experience from day one, working anywhere in our business, from **Technology, Software Development, Finance, HR to Marketing and Sales**.

What we're looking for:

- Education: University student or graduate
- Language skills: Greek and English
- Love for technology and the digital era
- Curious mindset with learning agility
- Motivation to meet us and work with the best Vodafone teams
- Previous experience is not required

Why apply:

- Gain know-how in various business areas from international experts
- Acquire business experience and accountability from day one
- Invest in your personal development with best-in-class digital learning and tools
- Challenge yourself and learn how to thrive
- Get an overview of future employment
- Hybrid way of working: a blend of remote and office-based working
- The opportunity to fast track to our Discover Graduate Program
- Paid internship

Internship Program Duration: 2-3 months

Application Process: You are one click away. [Learn more and send your CV](#). You will then receive an invitation for an online interview, where some short questions are waiting for you to help us select the most motivated candidates to join the program!

Need help? Vodafone is committed to making reasonable adjustments for all candidates considered to have a disability during the recruitment process. In case you have any kind of question, please let us know at the following address: youth.recruitment@vodafone.com
